

22 August 2007 Conservation Commission Minutes

Meeting called to order at 7:02pm

Present: Chris Dawson, Joel Fay, Pat Hechmer, Chuck McGill, Mark Peloquin, Ben Ware

Discussed Water Resources Overlay District and zoning in preparation for attending Planning Commission meeting on the WORD

Trail sign is missing already from Schulz trail, a notice will be in the newsletter and the front porch forum about this.

We sold 12 more t-shirts, and we are going to put some in the library.

Mark will be taking control of the stewardship program and will develop his own method for keeping track of when each parcel is checked and work with people to actually check the parcels. The only parcels that this applies to are the ones that are not already conserved with an easement with the VLT, but instead the ones that are simply by agreement with the town.

Selectboard would like feedback from us on usage requirements/restrictions for town trails, and we agreed to give them feedback by December 2007.

Adjourned to attend P.C. meeting at 7:43 p.m.

Reopened at 8:48 p.m.

Joel is going to find out if there are trail markers on Goodrich Trail, and where the unused trail markers are. He will also look into putting up a few on the school trails.

Chuck will be adding the town's parcels to the map of conserved land, and will be updating the margins on the farmer's market brochure.

For other open business, Sarah has given Schulz trail description to Localmotion, and checked with Rosemary about the adopt-a-trail handout and she believes it is in our binder. Also, Sarah will be writing up a few good leads to work on and to put onto a map for ancient roads.

Meeting adjourned 8:55 p.m.

Minutes respectfully submitted by Benjamin Ware
