

Westford Conservation Commission - Meeting Minutes 8/26/09

In attendance: Chris Dawson, Joel Fay, Patricia Hechmer, Chuck McGill, Mike Nelson, Sarah Pinto

Earl Mongeon appointment has been approved. Mark Winer has resigned. One position is still open.

Chris Dawson has asked to step down from his role as chair of the commission.

Much of the meeting was spent on soliciting comments on the Town Plan draft to take to the 9/16 joint meeting of the Town's commissioners. Comments centered around redundancy in the plan, and whether implementation dates were realistic. Some Conservation Commission goals are dependent on having a member serving on both the Conservation and Planning Commissions.

The Selectboard has adopted a Use of Trails Ordinance which will go into effect 10/26/09.

Sarah Pinto discussed the Seymour Trail. Several landowners want to reconstruct the trail to access their property. Other landowners are concerned about the affects of altering any drainage of water.
