

Westford Conservation Commission - 11/19/09 Mtg. Minutes

Attending: Chris Dawson, Joel Fay, Patricia Hechmer, Chuck McGill, Earl Mongeon, Mike Nelson, Mark Peloquin

December meeting will be held on 12/16.

Chris Dawson represented the Conservation Commission at the DRB review meeting for the proposed McDonald's sub-division in Plains Rd. area. The proposed open space is a deer wintering area. This will create some limitations on use of this area.

It has been suggested that the Westford Farmers Market become a committee within the Conservation Commission. Commission members need to understand what implications, if any, this might have for the Commission and the Farmers Market.

Sarah Pinto is applying for a grant (January 15th deadline) for Westford's trails through the VT 2010 Recreation Trails Program.

A brochure is being developed with a map of the school trails. The current google map needs to be updated because it is missing trails.

Joel Fay is ready to post the school trail signs.

Julie Elmore has agreed to co-chair, along with Mark Peloquin and a possible third person, Westford's Green-up Day.
