

Westford Conservation Commission - 12/16/09 Mtg. Minutes

Attending: Chris Dawson, Joel Fay, Patricia Hechmer, Chuck McGill, Mike Nelson, Mark Peloquin, Dan Strobridge,

Chris Dawson has resigned as chair of the commission and will be taking a 6-9 month sabbatical from the commission. The WCC thanks Chris for his many years of hard work chairing the commission.

The WCC has two sub-committees, Trails and Conservation. Commission members were asked to decide which committee they would like to serve on for the coming year.

Chuck McGill reported the Ancient Road Committee has evidence of a former road in the SE corner of town. They will present their findings to the Selectboard on 12/17.

Open land on private land is private. Mark Peloquin is in charge of the open land stewardship program. It was recommended that Mark send a letter explaining the program to any landowner who objects to his checks.

A weed whacker for trail maintenance will come out of WCC's budget.
