**CHITTENDEN COUNTY SHERIFF'S REPORT**

---

For the year 2007, the Chittenden County Sheriff's Office patrolled Westford for a total of 180 hours and traveled 2,793 miles. We patrolled from May of 2007 through September 2007.

The Sheriffs patrol for speed enforcement traveled on all of the town's roads. Patrols were generally scheduled for rush hour traffic. Speed violations were enforced with Vermont Traffic Citations and Written Warnings to violators.

During these hours of enforcement, deputies issued 129 warnings and 136 Vermont Traffic Citations of which 106 were for speeding. We also had an arrest for criminal DLS (driving while license suspended).

We would like to take this opportunity to thank the Town of Westford for allowing our office to provide the town with speed enforcement services again this year. We enjoyed working with town agents, employees and property owners. The assistance from property owners was once again overwhelming and made our job much easier during this period.

Respectfully submitted,  
Kevin McLaughlin, Sheriff
