**HEALTH OFFICER'S REPORT**

---

As of July 1, 2007 the Department of Environmental Conservation (DEC) will review and take action on all permits for water supply and wastewater disposal systems. Permit decisions and inspection letters must be recorded in the Westford Land Records, and a copy of the engineer's design is needed for the Town's zoning files. If you have any questions, please contact the Town Health Officer.

Health hazards:       1  
Dog bites:               3

We should all be aware of rabies, Lyme Disease and West Nile Virus. These diseases are spread by the following:

- Rabies – animals
- Lyme Disease – ticks
- West Nile Virus – mosquito borne

Respectfully submitted,  
Maurice Rathbun
